The Department of Global Health and the NGO Global Doctors have the pleasure to invite you to the Colloquium

**40 years of the Alma Ata declaration**

Has it reached the South American region?

Thursday 16th August 2018 from 16.15 – 18.00

Center for Sundhed og Samfund (CSS)

35.3.13

On 12th September 1978 delegates from 134 countries and several global health organizations signed the Alma Ata declaration aimed at strengthening the development of Primary Health care as a comprehensive and inclusive strategy to achieve the goal of “Health for All”.

The aim of the Colloquium is to facilitate the discussion about the extent to which Alma Ata has been implemented in the South American region. We will present the current situation of Primary Health Care in Colombia, Argentina and Brazil.
